

Dear editor

We are sending you the paper entitled

"Baremación de una tarea de repetición de pseudopalabras para la evaluación del desarrollo léxico". The paper is 6500 words long and meets the requirements of the journal for submission. In case of acceptance we confirm we will proceed with professional translation although we would ask for keeping the Spanish version available considering the topic and possible readers.

The authors are:

1) Miguel Lázaro (Universidad Complutense de Madrid, Miguel.lazaro@ucm.es).

Corresponding autor. 676689407. Facultad de Psicología. Campus de Somosaguas. 2882 Pozuelo de Alarcón, Madrid.

2) Irene Rujas (Universidad Complutense de Madrid, irenerujas@gmail.com)

3) Nacho Montero (Universidad Autónoma de Madrid, nacho.montero@uam.es)

4) Eva Murillo (Universidad Complutense de Madrid, eva.murillo@pdi.ucm.es)

5) Marta Casla (Universidad Autónoma de Madrid, marta.casla@uam.es).

We look forward to hearing from you.
Best regards

Miguel Lázaro
