

[Letter to Editor, Anales de Psicología]

Editor of the journal Annals of Psychology:

I am enclosing the manuscript entitled "An examination of the relationship between emotional intelligence, positive affect and character strengths and virtues" which are authors Agnès Ros-Morente, Carles Alsinet Mora, Cristina Torrelles Nadal, Ana Blasco Belled, Norma Jordana Berenguer (University of Lleida [Lleida, Spain]).

The manuscript is about the analysis of the association between Emotional Intelligence, Positive Affect and VIA's virtues and character strengths. The present work also shows an exploration of how Emotional Intelligence, measured with the scales of Emotional Attention, Emotional Clarity and Emotional Repair, predicted the virtue's levels of the subjects. Furthermore, the mediating role of PA in the aforementioned relationship was also studied.

We want to state that:
