

Editor of the journal Annals of Psychology:

I am enclosing the manuscript entitled " Quality of life in patients treated with methadone: The WHOQOL-BREF, psychometric study and application results" which are authors Eduardo J. Pedrero-Pérez and MethaQoL Group, Instituto de Adicciones, Madrid Salud, Council of Madrid.

The manuscript is about perceived quality of life in persons treated with methadone in public centers of Madrid and Extremadura, through a questionnaire developed by WHO, whose psychometric properties are first studied in a clinical sample of people with addictive behaviors in Spain.

We want to state that:

1st. All authors of this research have participated in the design, execution and analysis of results.

2nd. All authors have read and approved the manuscript version we sent you.

3rd. All authors have read and accept the Instructions to Authors of the journal contained in

<http://revistas.um.es/analesps/about/submissions#authorGuidelines>

3rd. The content of the manuscript is original and is not subject to review by any other journal. Likewise, its content is not subject to copyright by any publication or published elsewhere.

4th. The authors have no conflicts of interest to declare related to the manuscript.

5th. If the study so requires, the ethics committees of the participating institutions have authorized the procedure followed in this study and all subjects were informed participants to obtain their consent.

6th. The research was conducted at Madrid and Extremadura.

7th. If the manuscript is accepted, we transfer all copyrights to the journal Annals of Psychology, with contents and opinions expressed in the manuscript being the authors' responsibility.

Thank you for considering the evaluation of the manuscript and I remain at your disposal for any comments or concerns.

Yours Faithfully,

Eduardo J. Pedrero Pérez in his own name and that of MethaQoL Group.
