### **5<sup>th</sup> IEEE International Conference on Advanced Learning Technologies. ICALT 2005. Kaosng (Taiwan), July 5-8, 2005.**

This conference will be focused on "The Next Generation e-learning Systems: Intelligent applications and Smart design". It will bring together people who are working on the design, development, use and evaluation of technologies that will be the foundation of the next generation of e-learning systems and technology-enhanced learning environments. Dateline for Paper submission is February 4, 2005. This site also includes special conferences in conjunction with ICALT: The 3rd International Workshop on Technology for Education in Developing Countries (TEDC) and The 4th International Conference on Educational Technology in Cultural Context (ETCC). <http://lutf.ieee.org/icalt2005/>

### **Higher Education Research and Development Society of Australasia (HERDSA) Conference. Sydney (Australia), July 3-6, 2005.**

The Sydney conference committee is looking for international colleagues to review abstracts and full papers submitted for the conference. There has been a wonderful response to the invitation to participate and we have received submissions from all around the world. We would like the refereeing process to reflect the international nature of the submissions, and would like to invite you to participate as a reviewer. Many of the submissions are abstracts only and it is anticipated that all reviews will be completed by March 18th. If you are willing to be a referee for the conference please submit your details at:

The valuable contribution of reviewers will be recognised in the list of reviewers included in the conference publications. We hope you will be able to participate as a reviewer and hopefully also join us in Sydney in July.
